THE MSC IN ACTION ON CAMPUS & AROUND THE COMMUNITY

CAMPUS & COMMUNITY ENGAGEMENT

So Much Has Happened!!

The MSC aka, The Methodist Student Center, has been in full speed ahead mode. Students are dealing with every kind of homework and stress, but have been faithful to filling the seats at Devo's, Alpha Omega, and S.M.A.S.H. every week!

As many of you all know, we are always so thankful when a staff or faculty member of Morehead State University decides to be involved with and support the MSC, and it's wonderful when we can do the same for them. On October 5th, we were blessed with having Physics Professor Dr. Kent Price share his amazing story of recovery after a horrible car accident back in May of last year. It was an amazing testimony to the power of God, with over 45 persons in attendance that Thursday night!

Homecoming

We kicked off Homecoming this year by hosting a 5k for our Alumni and anyone else who wanted to join. We only had 7 run in the 5k but even still, all the money that was raised went in support of the MSU S.H.A.R.E. Fund for students who need financial assistance in emergencies. It was great fun watching people run for a good cause! Then on Saturday we opened the MSC for an open house with soup and sandwiches provided by the Shiloh United Methodist Church (Fleming Co. KY). Afterwards

we had the opportunity to host a jazz band, comprised of MSU/M.S.C. students, called Byrd Law. And to conclude a wonderful weekend, we hosted Diana Zipp-Gaddis, a 2007 graduate, at our Monday night Devos! It was a wonderful time seeing old and new faces. We missed those who couldn't join us but hope you will do so next year!

The Bishop is Coming, The Bishop is Coming!

The MSC had the opportunity of meeting with Bishop Fairley as he made his way to the Greenup First UMC. It was a great opportunity for twenty-five of our students to meet the Bishop and to show him just exactly what we do here at the MSC. It was a night of worship, food, and fun! THANKS to Rev. Pat Hoeksema for hosting this event!

Free Food?!? Where?!?

Right here at the MSC, we had our campus-wide free Thanksgiving dinner on November 9th. It was open to everyone who could get to the MSC before the food ran out! The total number served this year, on site, was over 300 people! It's a wonderful chance for students to live out being a servant to others and for other people to hear the gospel of Jesus Christ.

Pirates of the MSC!

This year, we had the chance to participate in and support Chi Omega's annual fundraising dance competition, "Follies." They fundraise for the Make-a-Wish Foundation, which helps children with terminal illnesses get to make a wish for something fun that they might not normally do.

This is a great opportunity for students to share and be a witness to the love of Jesus amongst the Greek community on campus.

Telling our Story

Since our last newsletter, we have had the opportunity to visit and share our story with a few more churches around Kentucky. On October 1st we were able to send students to both Shiloh UMC and Mt. Sterling UMC, to tell them about all the wonderful things God is doing here at the MSC and for them to experience being led in worship by some of our amazing students.

Like mentioned before, we had the opportunity to also share our story with Greenup UMC as well as Bishop Fairley. Most recently we've sent students to Rock Bridge UMC (near Frankfort, KY) to share our story. We are always thankful for opportunities to "tell the story" and to share how the Lord is working in and through our students. Thank you for your continued support of this ministry!

Looking Forward

We are almost to the end of the semester here at MSU, which means December 9th Graduation is right around the corner! Finals week is here, so keep praying for our students that they can make it through without too much stress. Thank you all very much for your continued prayers for this ministry and Pastor Drew!
