

THE MSC IN ACTION on CAMPUS & AROUND THE COMMUNITY

A Lesson from Disney's *Frozen 2*

To kick off the semester, Grace Maynard, daughter of Leigh Ann Maynard who is the Assistant Pastor at First UMC in Prestonsburg, KY, brought us an amazing message centered around the song "Into the Unknown" from *Frozen 2*. Grace gave a wonderful testimony about how when she moved away from home she had lost her identity in Christ. But, while she was away from home, she always felt like there was "something" (God) calling her, and it would never go away. This is just how Elsa feels in *Frozen 2*. Grace did an excellent job and we are grateful for her testimony!

Super Bowl LIV

The MSC held its annual three tier Super Bowl party on Sunday, February 2nd. People who really want to hear the game can watch on the top floor of the Methodist Student Center, people who are really only there for the commercials and the score can watch on the middle floor, and the bottom floor is open for people who don't want to watch the game at

all, but would like to mingle and play games with friends! We love that we are able to open our doors and reach out to people during events like these that we many not be able to reach during the week at our regular worship gatherings.

A Message Centered Around Valentine's Day

The Methodist Student Center has an excellent board that we are very grateful for, but we are even more grateful when those board members want to come worship and share their testimonies with our students! On February 13th (just in time for Valentine's Day), board member Ken Robinson and his wife Dudley joined us during our weekly Thursday night bible study! Ken and Dudley gave an excellent testimony about their marriage and their life together. It was truly a blessing to have these two come to the MSC and share with us!

Faith, Prayer, Worship & Community

Campus Ministers Serving
alongside our Campus Pastor

CAMPUS & COMMUNITY ENGAGEMENT

MSU President Dr. Jay Morgan Shares at AO

It's always a great time when President Dr. Jay Morgan wants to speak at the Methodist Student Center! On February 19th during our Wednesday night Alpha Omega bible study ("AO" as we like to call it) we received two challenges from Dr. Morgan. The first challenge invited us to reflect on our life, "What are the three things in your 'Bank Account of Life'?" he asked us. By this, Dr. Morgan wanted us to reflect on the three most important things in our life and how these things were effecting us. From there he invited us to look at those three things and make small adjustments to better ourselves. The second challenge Dr. Morgan invited us to take upon ourselves was to "Try to lift someone else up. Every day, every week, every month, every year." What a wonderful message to receive from the President of the university! Thanks Dr. Morgan!

Black Gospel Ensemble

The Black Gospel Ensemble is ALWAYS a treat for a Monday night Devos! On March 9th, Dr. Roosevelt Escalante and his crew packed the house for an amazing performance. We are so grateful for their music ministry!

Great Pretenders

For many years, the MSC has participated in Delta Zeta's Great Pretenders which raises money to benefit the Starkey Hearing Foundation. This year, the Methodist Student Center had a little help from some of their friends in Phi Sigma Pi, to create a dance routine centered around Disney Villains. Although we didn't win any awards, we had a blast performing for some of the members of our community and we are so blessed to be able to share a little bit about the MSC with the rest of the university! You never know how you may reach certain people!

A Spring Break Trip for the Books!

This year for spring break, student leaders from the MSC took a trip to parts of Indiana and Michigan to minister to others. We were able to encourage the folk at Northwest UMC and we helped out the LOMIK (Lutheran Outdoor Ministries of Indiana and Kentucky) church camps. It was great to give back knowing the influences those camps will have on the lives of those kids who are able to attend!

A Note from Our Intern: How We're Adjusting to Our Current Situation and What You Can Do to Help

Hello! I hope you and your loved ones are doing well and staying safe. It's a wild time, but know that we are praying for you and we have faith that God will see us through this!

Morehead State University has made the decision to move all classes online for the remainder of the spring 2020 semester in order to keep their students, faculty, and staff as safe as possible. This means that the Wesley Foundation/MSC has moved online as well! We wanted to continue serving our campus community during this time even though we could no longer safely meet in person, so we've had to get a little creative. On Mondays and Wednesdays around our regular service times, we have been posting devotional messages to our Facebook page via pre-recorded videos or by FB Live. There have been some incredible messages from our students and from some of our faculty - check us out at www.facebook.com/MSUMSC to hear what they've had to say! Our Thursday night S.M.A.S.H. (Students Ministering And Studying Him - our Bible study) and our prayer meetings have moved to Zoom calls (pictured at the top of the third column) so we can be a little more interactive! We've had "mystery guests" joining us each week for Bible study, whether it's a faculty member, an alumnus, or a local pastor. If you would like to join us, please let either Drew or I know! We would love to have you.

Your support of this ministry means more to us than ever during this time. If you would like to provide monetary support for this ministry, donations can be made monthly, bi-annually, or yearly, and can be given using our PayPal account on our website (www.msuwesleyfoundation.org) or sent via check to:

MSU Wesley Foundation
304 University Blvd.
Morehead, KY 40351

If you are not in a place where you feel that you can contribute financially to this ministry, we completely understand. We do ask that, regardless of whether or not you are able to donate to this ministry, you continue to keep this building and its leaders in your prayers. These times may be difficult, but we will emerge from them stronger than ever - and what a story of faith we will have to share.

Thank you for your previous support of the Methodist Student Center, and thank you in advance for your continued support. If there are ways we can be in prayer for you and your family, please let us know.

Peace of Christ,
Stephanie McNeill
MSC Administrative Intern
